Assalamualaikum and Good Day,

Dear students,

Please be informed that pre-registration of subject will start from 15th May 2017 until 28th May 2017 and must be done via online services by logging on to <https://portal.unikl.edu.my>

Kindly take note that pre-subject registration is **COMPULSORY** to all students who wish to register for semester August 2017. This is to ensure the availability of subjects and sufficient number of classes to be offered.

Please be reminded that failure to complete the pre-registration will affect your study plan and may lengthen your duration of studies.
